## TESTIMONIALS

Desert Owl photography did my Son's 9th birthday photo shoot and it was just a chill experience! His professionalism and gifted talent was evident indeed!!! I highly recommend and look forward to future photo shoots! - [Martha McPherson](#)

I had a photo shoot today for my company and I was really impressed. Ezra is professional, patient and polite. I am still somewhat new to Tucson and I had no idea where to find a good location. Ezra recommended some locations during our initial meeting and we ended up shooting there. The locations fit my needs perfectly. I cannot express how grateful that I am that I went with Desert Owl Photography and I highly recommend them. - [Justin H.](#)

My family had a Christmas mini session with Ezra from Desert Owl Photography and it was sooo easy! Ezra was efficient, professional, and guided us along. That was a blessing for me because as a mom, I enjoy not having to make a bunch of decisions all the time. Ezra captured my daughter's silliness and even granted a special request of mine..... to have my daughter's elf photoshopped into a couple photos. He even made it appear as if she was peeking out from behind a pillow. We really enjoyed how quick this session was. No muss, no fuss, but done VERY well. Our photos are BEAUTIFUL and will be cherished forever. Thank you Ezra! - [Michelle O'Connor](#)
