Love Notes

Loved booking an engagement session with Ezra! Our photos came out amazing and we are so pleased with them. One thing I really appreciate is that Ezra can execute your vision so effortlessly and make you feel completely comfortable in front of the camera. 10/10 would book with Desert Owl Photography again!

Tina & Joel

I hired Ezra to photograph my wedding and he was worth my investing. He is a consummate professional in every sense of those words. His personality, demeanor, patience, knowledge and experience really cemented our decision to enlist his talents. Taking the time to meet with us in person to converse, ask questions, show us his work, and guide us through his process was exactly the guidance from a professional we were hoping for. The day of the wedding he was timely, astute and invisible to the ceremony guests (that's a good thing), accurate with his equipment, and impeccable during post ceremony controlled shots of bride and groom, bridesmaids and groomsmen, guests, and finally reception. Would recommend his services in a heartbeat. Ezra is your guy!
