# LOVE NOTES

Loved booking an engagement session with Ezra! Our photos came out amazing and we are so pleased with them. One thing I really appreciate is that Ezra can execute your vision so effortlessly and make you feel completely comfortable in front of the camera. 10/10 would book with Desert Owl Photography again!

Ezra did an AMAZING job for our wedding! Very polite, professional and prompt. He helped guide us throughout the day with posing and was open to ideas at the venue, which was absolutely stunning. He has an attention to detail and we are very pleased with the end result.

**JOEL**

I hired Ezra to photograph my wedding and he was worth my investing. He is a consummate professional in every sense of those words. His personality, demeanor, patience, knowledge and experience really cemented our decision to enlist his talents. Taking the time to meet with us in person to converse, ask questions, show us his work, and guide us through his process was exactly the guidance from a professional we were hoping for. The day of the wedding he was timely, astute and invisible to the ceremony guests (that's a good thing), accurate with his equipment, and impeccable during post ceremony controlled shots of bride and groom, bridesmaids and groomsmen, guests, and finally reception. Would recommend his services in a heartbeat. Ezra is your guy!

# THE EXPERIENCE

CHEERS TO LOVE, LAUGHTER, AND  
HAPPILY EVER AFTER!

# FROM OUR FIRST CONTACT TO LONG AFTER YOUR WEDDING DAY

I'm here to give you an unforgettable photography experience and images that feel like you.

1

## CONNECT + VISION

We'll meet at one of Tucson's coffee or tea shops (or hop on a call) to learn your love story, what matters most to you, and the kind of images you want to look back on for years.

2

## PLANNING SESSION + TIMELINE

During your in-person planning session, we'll dial in the details — your priorities, your style, and how you want to feel in your photos. We'll build a custom photo timeline so the day flows smoothly and nothing important gets missed.

3

## INTENTIONAL STORYTELLING

With your vision guiding everything, I'll capture the big moments and the ones you didn't even realize were happening — the in-between emotion, the unexpected joy, the quiet calm, and the personality that's uniquely yours.

4

## SHOT LIST + MUST-HAVES

Before the wedding, we'll create a simple must-have list: family groupings, key people, and detail shots you care about most. If you don't have an itinerary yet, I'll help you build one.

5

## WEDDING DAY COVERAGE

On the day of your wedding, I show up prepared — with the plan, the lists, the lighting, and the experience to guide you naturally. You can stay present. I'll take care of the rest.

## PRESERVE YOUR LEGACY

Your wedding photos shouldn't live only on a screen. We'll help you preserve your story through prints and heirloom pieces made to last
