TESTIMONIAL

Ezra is amazing! I had a last minute request to get some graduation photos and fortunately, Ezra was available and super responsive in his messages as I tried to coordinate a time for his services. He was very open to shooting in a location of your choosing, allowed me to bring my own props into the photos, and was just a great person/photographer to have. He's also a very nice person to work with and is very easygoing and open to suggestions on poses.

I am grateful that I got a chance to work with him and love all of the photos and care that he took to edit the photos. They look amazing! I will definitely book him again if I need to have photos and memories captured again. Thanks Ezra! - Chi
