TESTIMONIAL

Ezra is an awesome photographer with a great eye. He listens to your preferences, gets a sense of what you want and captures the perfect moment. I highly recommend!

- Frank Jimenez

Whether you're looking for event photography or portrait photography, Desert Owl is an excellent choice. I worked with Desert Owl for a community event and everything from communication to arriving on time and following direction in terms of a shot list was executed to perfection. The turn around on the photos was also really quick. Ezra provides a password to download the photos directly from his website, which is super convenient. Ezra is not only very professional but also extremely nice! I definitely plan on working with Desert Owl again. Highly recommended!
